

CERTIFICATE OF ANALYSIS

| | | | |
|---------------------|---|-------------------------|----------|
| Report No. | 0606251 | Sampled on | 02/06/25 |
| Product Name | Liposomal Reduced-L-Glutathione (Setria®)- 250mg Per Capsule | Manufacture Date | 29/05/25 |
| Batch Number | GG1082511 | Expiration Date | 04/27 |

PHYSICAL SPECIFICATIONS

| S. No. | Item | Specification | Result | Method |
|--------|----------------------|-------------------------|---------|---------------------|
| 1 | Appearance | White powder | Conform | Ph. Eur. 2.2.1 |
| 2 | Smell | Odourless | Conform | Organoleptic |
| 3 | Taste | Taste of lecithin & GSH | Conform | Organoleptic |
| 4 | Flowability | Free flowing powder | Conform | Visual |
| 5 | Moisture content (%) | <10% | 3.45% | Ph. Eur. Par. 2.2.3 |
| 6 | Assay (%) | 95%-105% | 99.98% | Input method* |

**Input method: Active ingredients not tested in house. Analysis performed by raw ingredient manufacturer(s) and quantified by input, i.e., confirming correct amount(s) of ingredient used in the batch record and the average product weight is within the acceptance criteria.*

MICROBIOLOGY

| S. NO. | ITEM | SPEC. (CFU/G) | RESULT (CFU/G) | METHODS |
|--------|--------------------------------------|-------------------|-------------------|------------------------------|
| 1 | Total Aerobic Microbial Count (TAMC) | < 10 ⁴ | < 10 ⁴ | AOAC 990.12 / Ph. Eur. 5.1.4 |
| 2 | Total Yeast and Mould Count (TYMC) | < 10 ² | < 10 ² | AOAC 997.02 / Ph. Eur. 5.1.4 |

TECHNICAL DATA SHEET

| | | | |
|----------------|---|---------------------|-----|
| Product | Liposomal GSH (Setria ®) powder – 250mg GSH/ Cap (430mg powder delivers 250mg GSH- Size 00) | Product Code | GG1 |
| Date | 11/06/2025 | Version | 1 |

COUNTRY OF ORIGIN

This product is manufactured in the United Kingdom, using foreign and domestic materials.

PHYSICAL SPECIFICATION

| | Item | Specification | Methods |
|---|----------------------|---------------------------|-------------------|
| 1 | Appearance | White powder | Ph.Eur.2.2.1. |
| 2 | Smell | Odour of lecithin | Organoleptic |
| 3 | Taste | Taste of lecithin and GSH | Organoleptic |
| 4 | Flowability | Free flowing powder | Visual |
| 5 | Moisture content (%) | < 10% | Ph.Eur.par.2.2.3. |

INGREDIENTS PER CAPSULE (ALL MATERIALS ARE FOOD GRADE)

| INGREDIENTS | AMOUNT |
|---------------------------------------|---------------|
| Phospholipids (Non-GMO Sunflower) | 20- 24% |
| Reduced-L-Glutathione (GSH)- Setria ® | 54- 60% |
| Acacia Gum | 18- 22% |
